Founded	2004 - 20+ years of silicone manufacturing
Location	No.3, Wusong, Dongcheng, Dongguan, Guangdong, China 523000

Compression presses	30
LSR injection machines	6
Extrusion lines	15
CNC centers (toolroom)	19

One factory, four capabilities

Compounding / Tooling / Molding / ISO Class 7 cleanroom finishing

Direct production	180
Technical & quality	44

Season output (Jun-Aug avg)	59.8M pieces shipped June-August 2026 (~650K pieces / day historical daily average)
Quality system	ISO 9001:2015 (No. 61120Q012)
Medical quality system	ISO 13485:2016 (No. 04724Q10000602)
Cleanroom	ISO Class 7 medical LSR production area
Material compliance	FDA 21 CFR 177.2600 / LFGB / RoHS / REACH

Verify before you order

Certificates, Cpk studies, FAI reports and cleanroom test summaries are available on request.
